

2019+ Silverado Grille Light Brackets

Congratulations on your purchase of a high quality PUTCO product. Should you need any application or technical assistance, feel free to call us at: 1-800-247-3974

Monday-Friday 8:00 a.m. - 5:00 p.m. (Central Standard Time)

Contact your PUTCO dealer for other quality accessories.

Please read all instructions before installation and to check to see that all parts are included.

(This kit is designed for Putco 10033 LED curved 30" light bar)

Tools Needed:

- Socket set
- 10mm socket
- Trim removal tool
- Flat blade screwdriver

KIT CONTENTS:

Description	Qty.
Driver Side Bracket	1
Passenger Side Bracket	1

Installation Instructions:

The brackets are designed to utilize the lower factory mounting locations for the front header panel. These locations are shown in **Figure 1**. These bolts will be present with or without the active shutter system.

Figure 1: Bracket mounting location.

Installation Instructions Cont.

1. Begin by using a flat blade screwdriver or a trim removal tool to remove the 10 pop clips holding the radiator cowl in place and remove the cowl. **Figure 2.**

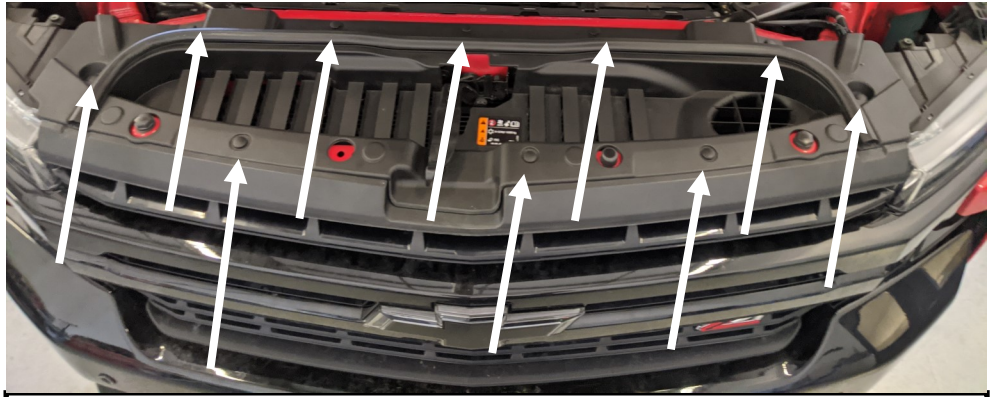

Figure 2: Radiator cowl clip removal.

2. Remove the four 10mm bolts along the top of the grille and lift up along the seam to pop out the top grille clips. This can be seen in **Figure 3.**

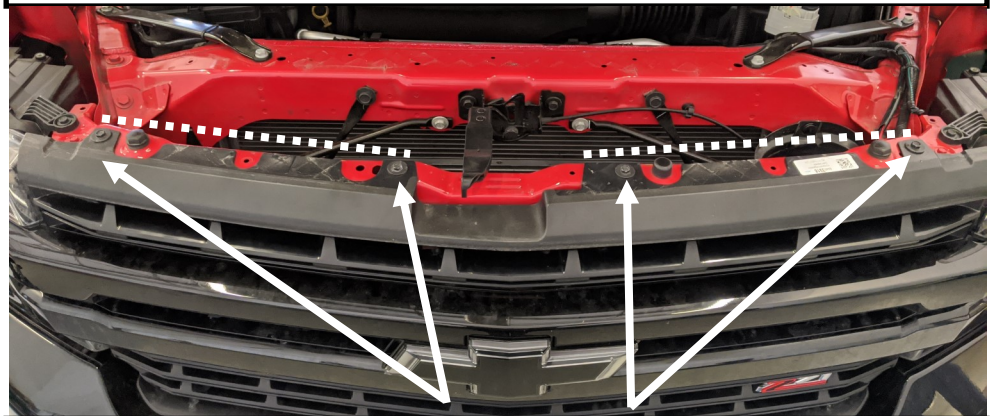

Figure 3: Grille removal.

3. Use the trim removal tool to pry the edge of the grille away from the headlights until the grille pops loose. Remove the grille. This is demonstrated in **Figure 4.**

Figure 4: Grille removal.

Installation Instructions Cont.

4. Attach the brackets to the light bar before mounting the light bar to the truck. Attach the brackets in a manner such that the angle cut into the outside of the bracket is pointing upwards as shown in **Figure 5**.

Figure 5: Bracket orientation.

5. Remove the lower header panel bolts using the 10mm socket and reinstall them with the brackets. **Figure 6**.

Figure 6: Light bar mounting.

Your Putco light bar is now installed. Refer to the instructions included with light bar for wiring instructions. (This kit is designed for Putco 10033 LED curved 30" light bar)
