LOCKBOX – Underseat Storage

Installation Instructions:

- 1** Install the Du-ha Lockbox by following the instructions included with the divider kit. To remove Lockbox remove the carabiner and washer from both sides and slide the Lockbox out of the vehicle. To re-install set the Lockbox back in the vehicle, slide each metal strap through each slot in the back of the Lockbox. Slide the washer over and metal strap and secure with the carabiner, on both sides.
- 2** To lock the Lockbox insert the key into the lock with the teeth on the key pointing to the outside of the vehicle. Once the key is inserted turn the key clockwise to lock the driver's side and counter-clockwise to lock the passenger's side. When locked the teeth on the key should be pointing downward. Remove the key.
- 3** To Un-lock the Lockbox insert the key into the lock with the teeth on the key pointing downward. Turn the key counter-clockwise to unlock the driver's side and clockwise to unlock the passenger's side.
