

87 XP Compound™

Fast-Action Leveling Compound

XP Compound™ is a next generation cutting compound that provides aggressive cut action for heavy scratch removal and produces a glossy final finish. This water-based formula is easy-to-use and allows for quick cleanup. Perfect for use on acid rain spots, clear coat scratches and medium oxidation.

KEY FEATURES & BENEFITS:

- **Aggressive Leveling Compound**- low swirl, designed to remove moderate-to-heavy surface imperfections
- **Hand, Rotary or Orbital Application**- designed to remove P1500 and finer sand scratches and light-medium oxidation
- **Wool or foam cutting pads**- works well with both pad types
- **Glossy final finish**
- **Abrasiveness**- 9 out of 10
- **VOC Compliant & Body Shop Safe**
- **Additional uses**- excellent on RV's, boats, motorcycles, bikes, or other painted surfaces- as well as headlight lens repair
