### Installation Instructions for Model 2014 Console Safe

The Lock'er Down Model 2014 goes in the compartment under the center seat of the 2007 to 2013 Avalanche, Sierra and Silverado with a split bench seat. Installation is simple.

- It is a good idea to set the combination before you install the safe, and do it with the door open.
- Clear the contents out of the compartment.
- Place the safe inside the compartment.
- Secure the safe to the compartment with the included self tapping screws.
