Installation Instructions for Model 2044 Console Safe

The Lock'er Down Model 2044 fits the 2015 to 2017 Cadillac Escalade

- It is a good idea to set the combination before you install the safe, and do it with the door open.
- Clear the contents out of the compartment.
- The safe comes with 2 self tapping screws. These must go in the two holes of the bottom of the safe. They will go through the safe, the plastic tub and into the metal console mounting plate.
- Enjoy your purchase.
