** Indicates drilling required in Tonneau to expose front Stake Holes.

More Tonneau's are compatible. Visit website for more applications www.backrack.com

IMPORTANT INFORMATION - PLEASE READ BEFORE ORDERING

- Frames indicated above are BACKRACK[®] frame style only
- 15021, 15022, 15024, 15026, & 15029 are reduced in height to sit cab-high when used with 50XXX Series
- All frames other than 15021, 15022, 15024, 15026, & 15029 will sit higher than the cab and will look odd on 50XXX Series
- If height clearance and looks are concerns, we recommend 15021, 15022, 15024, 15026, & 15029 with 50XXX Hardware
- 40XXX Series Hardware increases overall frame height by 1"
- 50XXX Series Hardware increases overall height by 2"
- All other frames are compatible with 40XXX & 50XXX but height increases 1" & 2" respectively
- All other frames specified for your truck are designed to sit near cab high with Standard Hardware
- Expect a 1" increase in height with 40XXX and 2" height increase with 50XXX
